Ravine Clean Up:

Wendy Haasen, a police officer, with the community service branch, is looking to conduct a clean up of the Chatsworth Ravine on Friday April 23rd, 2010 and to inform the students on the repercussions of having a littered environment in the neighborhood/school area. This day is also the day of the 20-Minute Toronto Makeover. For the clean up to be successful we would like approximately 10-20 students to participate, but of course, the more the merrier. The police services will provide the supplies to clean up the area, such as garbage bags and gloves. They will also provide water for the participants.

We will confirm the time but it will most likely take place around 2 pm on the April 23rd. Please inform your classes and contact Mr. Gurgol if you would like to sign up your class or have students who are expressing an interest in this event.
