Find Creative Solutions Through Collaboration

Most original thinking comes through collaboration and through the stimulation of other people's ideas.

- Sir Ken Robinson

Today I will tap the creativity found in collaborative inquiry to seek an innovative solution to a significant problem.

GOOD NEWS/THANKS TO

- Mary Amoroso, Erin MacKay and Matt Perry for organizing the Pathways Night on Thursday, January 19, 2012. Representatives from a variety of post secondary institutions took part in the parent and student event.

Reported Case of Pediculosis (Head Lice)

A case of head lice has been reported to the school. A letter outlining precautionary measures is attached.

Snowballs

We have been notified by the TTC that our students have been throwing snowballs at the TTC busses that stop at Lawrence and Chatsworth. They have notified us that they will use unmarked cars to catch anyone that throws snowballs at the busses and they will be charged. Throwing snowballs is against our LPCI student Code of Respect and Responsibilities which states "Snowball throwing is not permitted on or around school property". The possible range of consequences for students range from warning to suspension. Please respect our neighbours and community.

Guidance Classroom Visits

Guidance will be visiting Home form classrooms on the following dates:

Friday, January 20 Gr. 11 Home forms

Tuesday, January 24 Gr. 10 Home forms

Thursday, January 26 Gr. 9 Home forms

We will come to your room for about a 10 minute visit during that period. If you have an evaluation or presentations running on the date of our visit, please let us know and we will try to come either at the beginning or the end of the period.

Experiential Education Fair

Planning for this summer or a Gap Year? A Travel, Volunteer and Experiential Education Fair is being held on Saturday, February 4th from 11:00 am to 2:00 pm at Royal St. George's College, 120 Howland Avenue, in Ketchum Hall. Admission is free. Please be advised that parking is limited.

Dance Show

This year's Dance Show is sponsoring The Jack Project at Kids Help Phone. Their goal is to promote mental health and wellness for youth in Canada.

In order to raise more money for this project, the Dance Show Council was hoping to do a draw for prizes the night of the show. If you have any new, unopened items that you are willing to donate for this cause it would be greatly appreciated. The items can be dropped off at the Guidance Office with Mrs. MacKay.

Thank you so much and we hope to see you at the show!
